**FBI AGENT T BEGINNING OF CALL:** This is November 19, 2018, it is 3:56PM pacific time. This is Special Agent Andrew Cropshire, Special Agent [UI], JANE DOE and her attorney Harold Malkin. JANE DOE will be calling Steven Nerayoff right now:

1 NERAYOFF: Hey.  
2 [00:01:00]  
3 JANE DOE: Hey, Steve.  
4  
5 NERAYOFF: [VO] Oh my god.  
6  
7 JANE DOE: [VO] I was expecting a text from you.  
8  
9 NERAYOFF: I didn't think you were – hold on one second. Let me just go  
10 outside, give me one second.  
11  
12 JANE DOE: Okay.  
13  
14 NERAYOFF: [BG] [CALL TERMINATES]  
15  
16 NERAYOFF: [VOICEMAIL] Hi this is Steve from [UI], please send me a text  
17 message. Thank you and have a great day.  
18  
19 JANE DOE: [NOT ON PHONE] It went to voicemail. Let me call back.  
20 [00:02:00]  
21 [RINGING] [CALL TERMINATES]  
22  
23 JANE DOE: [NOT ON PHONE] [UI] [PHONE RINGS] He's calling.  
24  
25 [JANE DOE ANSWERS PHONE]  
26  
27 JANE DOE: Sorry, I got a new phone.  
28  
29 NERAYOFF: Oh, I'm sorry about that.  
30  
31 JANE DOE: Yea. [BG]  
32  
33 NERAYOFF: How are you?  
34  
35 JANE DOE: Uh, pregnant. I'm almost forty and pregnant. Yes, that's me.  
36  
37 NERAYOFF: Oh, I heard. Congratulations.  
38  
39 JANE DOE: Yea, it's really good. Very good blessing. So we are really happy.  
40 You do know I'm no longer with [REDACTED], right?  
41  
42 NERAYOFF: I do. Um, so what I'm about to tell you is going to sound really  
43 freaking weird...  
44  
45 JANE DOE: Huh?  
46

47 NERAYOFF: But, it's kind of out of a spy novel.  
48 [00:03:00]  
49 JANE DOE: Spy novel?  
50  
51 NERAYOFF: Yea. This is what, I want to explain to you what happened and then  
52 I need you to help me fill in some of the blanks.  
53  
54 JANE DOE: Okay. Hold on.  
55  
56 NERAYOFF: Um...  
57  
58 JANE DOE: Hold on, wait. Um, you gotta speak slowly 'cuz my pregnant brain  
59 is not all it's...  
60  
61 NERAYOFF: I'm sorry.  
62  
63 JANE DOE: I haven't, I haven't worked in like two months.  
64  
65 NERAYOFF: [UI] [laughter]  
66  
67 JANE DOE: Okay, go. So, what?  
68  
69 NERAYOFF: So here's what happened. Uh, when you guys were here in March  
70 April...  
71  
72 JANE DOE: Yea?  
73  
74 NERAYOFF: Remember we were talking of doing a uh, doing the merger?  
75  
76 JANE DOE: Oh the acquisition merger thing-a-mabobber?  
77  
78 NERAYOFF: Right.  
79  
80 JANE DOE: Yea.  
81  
82 NERAYOFF: Right. And, then we had the 10,000 Ether loan and the extra tokens  
83 for the air drop and we still have to fix our original agreement. All  
84 that shit, all together?  
85  
86 JANE DOE: Okay.  
87  
88 NERAYOFF: And so, what happened was Michael started talking to you guys.  
89  
90 JANE DOE: Okay.  
91 [00:04:00]  
92 NERAYOFF: And the last five months, Michael has been telling me, um, that

93 everything is going great. You guys are really happy. Everything  
94 is, you know, moving along.  
95  
96 JANE DOE: Uh huh.  
97  
98 NERAYOFF: Um, but I found out everything is not true. I got rid of him. I  
99 was hiring his company, and he wasn't actually an employee.  
100  
101 JANE DOE: Oh.  
102  
103 NERAYOFF: And, I think he was a con artist, basically.  
104  
105 JANE DOE: Mike a con artist?  
106  
107 NERAYOFF: I know. Look, you tell me what happened. [UI] Because I said to  
108 him, I said what happened, what happened with the loan, what  
109 happened with the tokens? He said, oh no no, we are doing an  
110 acquisition, everything's fine. Tell me what happened.  
111  
112 JANE DOE: Uh...  
113  
114 NERAYOFF: What happened when you talked to him?  
115  
116 JANE DOE: Well, remember I haven't had anything to do with [REDACTED] in like  
117 two months, so...  
118118  
119 NERAYOFF: [UI]  
120  
121 JANE DOE: There's no acquisition.  
122  
123 NERAYOFF: Right.  
124  
125 JANE DOE: that's as far as we got.  
126  
127 [00:05:00] JANE DOE:  
128 NERAYOFF: Why did, why did you guys stop calling me?  
129  
130 JANE DOE: 'Cuz you told me to never call you again. Remember? You were  
131 pissed off at me in New York. And then they separated us. And  
132 that was it. And then...  
133  
134 NERAYOFF: Who separated us?  
135  
136 JANE DOE: Uh, Mike and your friend [REDACTED], the [REDACTED] guy. And then  
137 [REDACTED] was crying at, in tears at the elevator.  
138

139 NERAYOFF: Oh you mean the last meeting we had?  
140  
141 JANE DOE: Yea, that, that, that was why. And [REDACTED]...  
142  
143 NERAYOFF: Did you keep talking to Mike?  
144  
145 JANE DOE: Uh, barely, like...  
146  
147 NERAYOFF: Barely talked to Mike?  
148  
149 JANE DOE: He came and visited a couple times.  
150  
151 NERAYOFF: He came up to Seattle?  
152  
153 JANE DOE: Yea.  
154  
155 NERAYOFF: Is it possible that anything happened and you aren't aware of it?  
156  
157 JANE DOE: What do you mean?  
158  
159 NERAYOFF: Is it possible let's say JOHN DOE put an acquisition and you  
160 aren't aware of it.  
161  
162 JANE DOE: Well, you know it's been two months since I've been part of  
[00:06:00]  
163 [REDACTED]. So it's possible, but um, until then no, not that I'm aware  
164 of.  
165  
166 NERAYOFF: So you're telling me that the acquisition was being done and you  
167 were leaving, that's what I heard, you were leaving, and he was  
168 kind of, uh, not very, um, clear about it...  
169  
170 JANE DOE: Fired?  
171  
172 NERAYOFF: And then I heard from somebody like a week later that you got  
[UI].  
173  
174  
175 JANE DOE: I got the can, I was ejected out so, you know, I didn't leave, I was  
176 fired.  
177  
178 NERAYOFF: Do you have any idea why?  
179  
180 JANE DOE: Uh, there's a lot of reasons why. I mean all of them are my  
181 opinions, none of them are quite proven facts yet. At least not...  
182  
183 NERAYOFF: Did it not make sense to you?  
184

185  
186 JANE DOE: Oh it made no sense to me, but you know, I own some part of it.  
187 Um, you know JOHN DOE, JOHN DOE is who he is and he pisses me  
188 off too.

189 [00:07:00]  
190 NERAYOFF: What, What was the reason he gave you? I'm trying to figure out if  
191 this, if an acquisition actually happened and he reported that as a  
192 casualty or this has, this is just a weird coincidence [UI].

193  
194 JANE DOE: You mean an acquisition really happened? Uh...  
195  
196 NERAYOFF: I don't know.

197  
198 JANE DOE: that's really pissed off at you that was trying to acquire the  
199 company in Miami or something.  
200  
201 JANE DOE:

202 NERAYOFF: There's somebody pissed off at me that wants to acquire a  
203 company in Miami?

204  
205 JANE DOE: [laughter] Something like that, I don't know.  
206  
207 NERAYOFF: And [REDACTED]?

208  
209 JANE DOE: [REDACTED] ? That's your, uh, your friend that you do investments with.  
210  
211 NERAYOFF: No, different [REDACTED].

212  
213 JANE DOE: Oh.  
214  
215 NERAYOFF: Different [REDACTED].

216  
217 JANE DOE: The one [REDACTED] thinks has a crush on her?  
218  
219 NERAYOFF: That [REDACTED] has a crush on?

220  
221 JANE DOE: No. [REDACTED], someone...  
222  
223 NERAYOFF: Maybe.  
224  
225 JANE DOE: ... has a crush on her. I don't know. I've never met this person.  
226 [00:08:00]  
227 NERAYOFF: What else did Michael say to you?  
228  
229 JANE DOE: I don't know. Uh, I mean, it depends on when.  
230

231 NERAYOFF: Alright, anytime, like why was he there?

232

233 JANE DOE: He was talking about the acquisition, and getting us back the  
234 10,000 ETH.

235

236 NERAYOFF: And you don't have any idea what happened?

237

238 JANE DOE: Well, we, until September 24<sup>th</sup>, was when I was ejected out, uh, we  
239 hadn't gotten 10,000 ETH back, and he had told us that it was  
240 never going to happen probably. And neither was the acquisition,  
241 cuz you had moved on.

242

243 NERAYOFF: And neither was the acquisition?

244

245 JANE DOE: No.

246

247 NERAYOFF: I moved on?

248

249 JANE DOE: I, I think so.

250

251 NERAYOFF: That's so not, none of that is true. I'm trying to fix this. I'm trying  
252 to figure out what really happened. Did he tell you anything else?

253 [00:09:00]

254 JANE DOE: Well Mike's been trying to call me over the past few days too,  
255 so... I don't know what to do here.

256

257 NERAYOFF: He's calling you because I'm onto him. [Sighs]

258

259 JANE DOE: That you're on to Mike?

260

261 NERAYOFF: Right, something went very awry. He was supposed to, I got like  
262 crazy busy...

263

264 JANE DOE: Mhm.

265

266 NERAYOFF: He was supposed to be doing a friendly acquisition with [REDACTED].  
267 Meanwhile I was preparing monster, like literally you've never  
268 seen this kind of stuff in your life, monster partnerships for [REDACTED].  
269 I've been working like a bun... like crazy hours creating these  
270 partnerships [clears throat] and I realized nothing ever happened.  
271 Or if something happened, it's not with us.

272

273 JANE DOE: Mmm... yea we hadn't, we haven't heard anything from you or  
274 [REDACTED] or anything regarding Alchemist since that one meeting in  
275 May.

276

277 NERAYOFF: Yea because Michael kept telling us, don't call [UI] --  
[00:10:00]

278 --I've got it under control, let me handle this. So █ and I assumed  
279 that you guys, that he was handling it.

280

281 JANE DOE: So should I talk to Mike now, or not call him, should I ignore him,  
282 what do I do?

283

284 NERAYOFF: No, there's nothing... let's just hold tight, I'm trying to get to the  
285 bottom of it. You called me, I was actually on the phone with █.

286

287 JANE DOE: Oh █? [VO]

288

289 NERAYOFF: [laughs] Um, [clears throat] do you know anything that's  
290 potentially... You may or may not, this is going to sound weird,  
291 but JOHN DOE, and I'm not saying this is true, don't assume this  
292 is true for a second. Do you know anything about allegations about  
293 JOHN DOE trying to take money?

294

295 JANE DOE: Take money from where?

296

297 NERAYOFF: Company.

298

299 JANE DOE: Uh... no. I'm, I mean to do something like business-wise or like to  
300 buy...

301 [00:11:00]

302 NERAYOFF: No.

303

304 JANE DOE: a yacht? What do you mean?

305

306 NERAYOFF: Yea, like the latter.

307

308 JANE DOE: Like to buy a yacht? JOHN DOE?

309

310 NERAYOFF: Not the yacht.

311

312 JANE DOE: [laughs] He's not a yacht guy. He's like, chicken nuggets and...

313

314 NERAYOFF: No, it was more I heard there was, to appease his fiancé back then.

315

316 JANE DOE: Oh yea. Well, but they're no longer together as far as I know. I  
317 think she has a new boyfriend...

318

319 NERAYOFF: Right.

320

321 JANE DOE: ... anyways.

322

323 NERAYOFF: [laughs] No, but this was...

324

325 JANE DOE: But she was very expensive. Yea, she was very expensive.

326

327 NERAYOFF: [clears throat] By any chance, JOHN DOE may have told her,  
328 I'll get money from this and we'll be fine.

329

330 JANE DOE: Um... get money from this. What do you mean this? From...

331

332 NERAYOFF: No it was from the company, from the company.

333

334 JANE DOE: From [REDACTED]?

335

336 NERAYOFF: But...

337

338 JANE DOE: Like, get money, like uh, ten thousand dollars or what are we  
339 talking about?

340

341 NERAYOFF: [UI] Ten million dollars, I don't know.

342 [00:12:00]

343 JANE DOE: Um, I think that was a number that was thrown around even... at  
344 one point but I don't think it was regarding JOHN DOE and his wife.

345

346 NERAYOFF: You think what was around?

347

348 JANE DOE: That was a number that was thrown around but it wasn't thrown  
349 around regarding JOHN DOE with his wife, you know?

350

351 NERAYOFF: What was it regarding?

352

353 JANE DOE: Like how much Alchemist would give JOHN DOE.

354

355 NERAYOFF: Michael said this?

356

357 JANE DOE: Uh, I don't remember who said this. It's either you or Michael.

358

359 NERAYOFF: Huh?

360

361 JANE DOE: It's either you or Michael.

362

363 NERAYOFF: It wasn't me. [BG]

364

365 JANE DOE: Okay.

366

367 NERAYOFF: [clears throat] So, he said somebody in Florida is pissed off and  
368 wants the company?

369  
370 JANE DOE: Yea.  
371  
372 NERAYOFF: And do you know what you guys responded to that?  
373  
374 JANE DOE: Uh, my normal response now, you should know, is uh, show me  
375 the paper. I want to see the term sheet.  
376 [00:13:00]  
377 NERAYOFF: Hm.  
378  
379 JANE DOE: Which we never got from Alchemist either, as far as I know.  
380  
381 NERAYOFF: As far as we would know, the term sheet was delivered uh, the  
382 transaction was closed. That's what we were told.  
383  
384 JANE DOE: That's weird.  
385  
386 NERAYOFF: Yea, I know. [BG] [clears throat] Yea that's very weird.  
387  
388 JANE DOE: [UI]  
389 No, he's not president. No, I never said he's  
390  
391 NERAYOFF: No, he's not president. No, I never said he's president.  
392  
393 JANE DOE: [UI]  
394  
395 NERAYOFF: NERAYOFF:  
396 contractor. We hired his consulting  
397  
398 So he wasn't like a Booz Allen or, you know, McKinsey guy?  
399 JANE DOE:  
400 [00:14:01]  
401 NERAYOFF: No, he has like a little consulting firm. It was just basically him  
402 and his wife. [clears throat]  
403  
404 JANE DOE: His wife? Was that, what's her name? Uh...  
405  
406 NERAYOFF: Marianna.  
407  
408 JANE DOE: Marianna.  
409  
410 NERAYOFF: Uh...  
411  
412 JANE DOE: Isn't she your best friend?  
413  
414 NERAYOFF: Why didn't... Michael?

415  
416 JANE DOE: No, Marianna, his wife, isn't she your best friend?  
417  
418 NERAYOFF: She was. [laughs]  
419  
420 JANE DOE: You guys had a friend break-up?  
421  
422 NERAYOFF: Uh, I will now. I'm just finding this all out in the last 48 hours.  
423  
424 JANE DOE: How'd you find out about, this is all crazy.  
425  
426 NERAYOFF: It's beyond crazy, I know. But I told you this is going to sound  
super weird.  
428  
429 JANE DOE: It is super weird, 'cuz you guys were like BFFs for the past... year  
430 or something, year.  
431  
432 NERAYOFF: [UI] You know, we have been. I've paid them a tre-, I paid them a  
tremendous amount of money, I paid legal expenses to get --  
[00:15:00]  
434 --those transactions on...  
435  
436 JANE DOE: What legal expenses?  
437  
438 NERAYOFF: ... the both of it. Exactly.  
439  
440 JANE DOE: [laughs]  
441  
442 NERAYOFF: I'm serious about that too.  
443  
444 JANE DOE: Hm.  
445  
446 NERAYOFF: So... [clears throat] So you have no idea if the company was  
actually acquired?  
448  
449 JANE DOE: Well if anything happened between September 24 and today, I do  
450 not know, but definitely before September 24, nope, nothing at all.  
451  
452 NERAYOFF: Do you know why █ is sending me for a W9 all of a sudden?  
453  
454 JANE DOE: Well, uh, because probably the █ guys want it? I don't  
455 know.  
456  
457 NERAYOFF: Oh. Do you have any reason why JOHN DOE wouldn't be  
458 returning my call? It's only been a day [UI]  
459  
460 JANE DOE: JOHN DOE? I don't know. He's conflict avoidant. [laughs]

461 [00:16:00]  
462 NERAYOFF: [BG] Well... did he say anything, did he, how did it go from me  
463 from Alchemist to something in Florida, do you know?  
464  
465 JANE DOE: Uh... it was like on one of his trips, Mike came to Seattle, we met  
with him at a bar. It was me, JOHN DOE, and Mike. And Mike  
said that there's a guy that hated you so much that he wanted to  
acquire [REDACTED] before you. [laughs] That's all I know. And we said,  
show [REDACTED]  
469 us the term sheet.  
470  
471 NERAYOFF: So JOHN DOE was open to it?  
472  
473 JANE DOE: Well I think our job is to see the term sheet and decide from there,  
so yea, it's not about open or closed, it's show us the term sheet.  
474  
475 [00:17:00]  
476 NERAYOFF: [UI] Um, what's your plans?  
477  
478 JANE DOE: Well, you know since I was ejected out, I'm having a little trouble  
getting work because um, I'm pregnant [BG]  
479  
480  
481 NERAYOFF: Pardon that.  
482  
483 JANE DOE: [VO] And it's hard to get started to work and then be, you know,  
have my employer know, that you know, and after investing three  
to five months in me, that I'm gonna go have a baby, and you  
know, I definitely want to take maternity leave so, here I am.  
484  
485  
486  
487  
488 NERAYOFF: Okay. If there was an opportunity here would you want to look at  
489 it?  
490  
491 JANE DOE: Look at what?  
492  
493 NERAYOFF: See if there was an opportunity again with [REDACTED].  
494  
495 JANE DOE: That's, with [REDACTED]? Uh...  
496  
497 NERAYOFF: A new version of [REDACTED]. It's a totally new version.  
498 [00:18:00]  
499 JANE DOE: Uh, right now, I am beyond not happy with [REDACTED]. I am extremely  
500 not happy with JOHN DOE.  
501  
502 NERAYOFF: I'm trying to figure out if JOHN DOE did that on his own or if  
503 somebody pushed him to do that.  
504  
505 JANE DOE: I don't know. I don't know what that is, but it was uh, it was not

506

cool in any way, shape, or form. Especially if you know like how

507 much I did for [REDACTED], you know? Not even a thank you. Oh yea  
508 and not even severance.  
509  
510 NERAYOFF: What was the reason he gave you?  
511  
512 JANE DOE: There was no reason.  
513  
514 NERAYOFF: He didn't give you any reason?  
515  
516 JANE DOE: There was no reason. The only thing I did wrong was tell everyone  
517 I was pregnant on Thursday and Friday. And then they fired me at  
518 seven thirty in the morning on uh, Monday.  
519 [00:19:00]  
520 NERAYOFF: [clears throat] Interesting.  
521  
522 JANE DOE: So, you know, the bros don't like the baby mama, I don't know.  
523 [laughs]  
524  
525 NERAYOFF: Uh well hold on, hold on, it may have not been him.  
526  
527 JANE DOE: You don't think so? [VO] Who else, who would have done it? Was  
528 it you? You weren't like, fire JANE DOE...  
529  
530 NERAYOFF: No.  
531  
532 JANE DOE: ... because I hate her guts [laughs]  
533  
534 NERAYOFF:  
535  
536 JANE DOE: I didn't hate you [VO]  
537  
538 NERAYOFF: I had, I had several people tell me JANE DOE hates you.  
539  
540 JANE DOE: No we, we did karaoke. We bonded over karaoke.  
541  
542 NERAYOFF: I remember.  
543  
544 JANE DOE: [laughs]  
545  
546 NERAYOFF: It was a shock. I said I don't know why JANE DOE hates me...  
547  
548 JANE DOE: I don't hate people.  
549  
550 NERAYOFF: But Mike kept telling me, no it's fine. [clears throat]  
551  
552 JANE DOE: I just become disappointed or sad or you know...

553 [00:20:00]  
554 NERAYOFF: Alright, do me a favor, don't, don't, don't answer Mike but answer  
555 me. I'm trying to fix this. I'm mostly trying to fix your situation  
556 too.  
557  
558 JANE DOE: [VO] Well how would you fix my situation? My situation is kind  
559 of... very unhappy faces, Steve. [laughs]  
560  
561 NERAYOFF: I think you're, you're leaving me a bit under false pretenses.  
562  
563 JANE DOE: So like, someone forced JOHN DOE to fire me?  
564  
565 NERAYOFF: That was the...  
566  
567 JANE DOE: Like, a day after I told everyone I was pregnant? [laughs]  
568  
569 NERAYOFF: I don't think, I don't think it has to do with that.  
570  
571 JANE DOE: You don't think so? Okay.  
572  
573 NERAYOFF: No. I don't.  
574  
575 JANE DOE: So then it has to do with like someone not liking JANE DOE?  
576  
577 NERAYOFF: I don't know why. I don't know why. I'm trying to figure that out.  
578 [00:21:00]  
579 JANE DOE: You think Mike doesn't like me? Maybe Mike told JOHN DOE to  
580 do that?  
581  
582 NERAYOFF: It's possible. It's possible there's Alex in Miami. I don't know.  
583  
584 JANE DOE: █ is like the very pretty tall guy that Mary talks about.  
585  
586 NERAYOFF: Right.  
587  
588 JANE DOE: That █?  
589  
590 NERAYOFF: Right. Alright.  
591  
592 JANE DOE: Are you still with █?  
593  
594 NERAYOFF: Uh, no. Well... we're still friends.  
595  
596 JANE DOE: Mmk.  
597  
598 NERAYOFF: But not that.

599  
600 JANE DOE: Are you still with [REDACTED]?  
601  
602 NERAYOFF: Yea I'm still with [REDACTED].  
603  
604 JANE DOE: Are you still with [REDACTED]?  
605  
606 NERAYOFF: Alex... yea, but [REDACTED] is in Puerto Rico a lot now.  
607  
608 JANE DOE: Crypto Rico?  
609  
610 NERAYOFF: Yea, yea exactly. And we've added some new people.  
611  
612 JANE DOE: You never visited Seattle.  
613 [00:22:00]  
614 NERAYOFF: No, I was told not to.  
615  
616 JANE DOE: But are you a follower, Steve, or are you, like, independent  
617 thinker?  
618  
619 NERAYOFF: No, I was, I was, very enmeshed in doing other stuff, and I thought  
620 Michael had this under control.  
621  
I JANE DOE: No. NERAYOFF:  
[00: 623  
625 NERAYOFF: Right.  
626 JANE DOE: And you think, some- Mike is doing something weird, so you'd  
627 like me to not call Mike back or answer his calls?  
628  
629 NERAYOFF: Right. When was the last time you talked to him?  
630  
631 JANE DOE: [UI] I don't know, I think it was like, the week of September 24 or  
632 like shortly after and I told him I was no longer with [REDACTED] and he  
633 should not have to call me ever again.  
634  
635 NERAYOFF: Did he say anything else to you?  
636  
637 [00:23:00] JANE DOE: Other than, no, other than, like, I can't get the 10,000 ETH from  
638 Steve right now.  
639  
640 NERAYOFF: He didn't ask me. Wow. This is a mess.  
641  
642 JANE DOE: Well you don't think I should just listen to Mike and find out what  
643 he wants to say?  
644

645  
646 NERAYOFF: Without saying anything to him?  
647  
648 JANE DOE: I mean, I could just, he doesn't have to know I talked to you today,  
649 I could just talk to Mike.  
650  
651 NERAYOFF: I don't... Do not trust anything he says.  
652  
653 JANE DOE: Don't trust anything Mike says?  
654  
655 NERAYOFF: No, if you want to play dumb, I don't know who's behind him  
656 right now.  
657  
658 JANE DOE: Like, who would be behind him?  
659  
660 NERAYOFF: I don't know if there's [REDACTED] that's behind him, I don't know what  
661 he said to JOHN DOE, [UI] that's what I'm investigating right  
now, I'm  
662 trying to find this out.  
663  
664 JANE DOE: What do you think Mike's gonna say? Like, is he gonna- do you  
665 think he's going to say like, JANE DOE don't answer any more  
calls from  
666 Steve.  
667 [00:24:00]  
668 NERAYOFF: I have no idea, I have literally no idea what this guy could say.  
669  
670 JANE DOE: He wouldn't do anything scary, right? He's supposed to be like ex-  
671 CIA...  
672  
673 NERAYOFF: Don't worry about him.  
674  
675 JANE DOE: ... FBI, scary person.  
676  
677 NERAYOFF: He's not going to do anything. [clears throat] not going to do  
678 anything scary. I have a plan to, how much cash do you think  
679 [REDACTED] has? Like how much runway does it have?  
680  
681 JANE DOE: I would have no idea right now. You know, it's been two months,  
682 things change so fast. And I don't know how hot they're running,  
683 um, you know, they've let quite a few people go, so, I don't know.  
684 [00:25:00]  
685 NERAYOFF: He looked like he was hiring people.  
686  
687 JANE DOE: Mmm, I don't know. I think a bunch of people quit shortly after I  
688 left, and then there was some let go, including myself, so I don't  
689 know what it looks like right now.  
690

691 NERAYOFF: Okay. Um, I have to somehow... I have a plan to rescue them.  
692  
693 JANE DOE: Well why?  
694  
695 NERAYOFF: To make it bigger than ever.  
696  
697 JANE DOE: Why?  
698  
699 NERAYOFF: Huh?  
700  
701 JANE DOE: Why why? I mean like, why...  
702  
703 NERAYOFF: That's why we wanted this acquisition.  
704  
705 JANE DOE: Yea, but the, the whole, everything's different now, like you don't even know what you're acquiring.  
706  
707  
708 NERAYOFF: In terms of what?  
709  
710 JANE DOE: People, technology, product, vision.  
711  
712 NERAYOFF: [UI]  
713  
714 JANE DOE: Everything.  
715  
716 NERAYOFF: [UI]  
717  
718 JANE DOE: A through Z. I mean, have you looked at token price? It's a pile of crap too.  
719  
720 [00:26:00]  
721 NERAYOFF: No. I never got a single token.  
722  
723 JANE DOE: Me neither. Yay. That makes two of us.  
724  
725 NERAYOFF: Me neither. Yay. That makes two of us.  
726 stevenner  
727  
728 JANE DOE: Me neither. Yay. That makes two of us.  
729 JANE DOE:  
730  
731 NERAYOFF: [sighs]  
732  
733 JANE DOE: But the-  
734  
735 NERAYOFF: Did you have any conversa-  
736

737 JANE DOE: Hm?

738

739 NERAYOFF: Who was the lawyer that wa- who was your lawyer that was  
740 handing everything. Corporate stuff. Was it still [REDACTED]?

741

742 JANE DOE: It's still [REDACTED], yea.

743

744 NERAYOFF: Was it- what was his name at [REDACTED] who was handling it?

745

746 JANE DOE: It depends...

747

748 NERAYOFF: Corporate guy?

749

750 JANE DOE: You mean, wait [REDACTED] for corporate legal stuff?

751

752 NERAYOFF: Yea.

753

754 JANE DOE: Well we had like five depending on what sort of corporate legal  
755 stuff.

756

757 NERAYOFF: Um, no 'cuz I know something, this thing about my W9 that I have  
758 to, remember we never finalized that agreement back then?

759 [00:27:00]

760 JANE DOE: Mmhmm.

761

762 NERAYOFF: [clears throat] It was still the 900 million, there was still the east  
763 that said being held in nominee, there was a foreign company,  
764 when I still had to change it, you and I talked about kicking that  
765 down the road, we'll deal with it late next year. [clears throat]

766

767 JANE DOE: Yea.

768

769 NERAYOFF: [00:29:00]

770 JANE DOE: [REDACTED]

771 JANE DOE: [REDACTED]

772

773 JANE DOE: Right, but remember this is why you got pissed off at me and we  
774 were separate to never talk to each other again. Uh, [REDACTED]'s  
775 position was we don't agree to all of this anymore. I don't know if  
776 they've changed their minds since then but that's why we were uh,

777

778 NERAYOFF: Don't agree to what?

779

780 JANE DOE: Not supposed to talk to each other anymore.

781

782 NERAYOFF: Don't agree to what?

783  
784 JANE DOE: Huh?  
785  
786 NERAYOFF: Don't agree to what?  
787 [00:28:00]  
788 JANE DOE: Uh, the three hundred million air drop tokens, and then even going back to the thirty thousand ETH.  
789  
790  
791 NERAYOFF: What about that?  
792  
793 JANE DOE: 'Cuz JOHN DOE didn't want me- give me tokens to sell 'cuz he  
794 NERAYOFF:  
795 Right but he  
796  
797 NERAYOFF: On the three fifty, you remember you and I, I still have the text messages, we agreed three fifty and I said alright, we'll put seventy million, 'cuz that was a value of seventy million at the time, and uh, seventy million as collateral for the ten thousand ETH.  
798  
799  
800  
801  
802 JANE DOE: Yea that's-  
803  
804 NERAYOFF: 'Cuz JOHN DOE didn't want me- give me tokens to sell 'cuz he didn't want to leave them for the company address. That's why the ten thousand ETH came up in the first place.  
805  
806 [00:29:00]  
807 JANE DOE: No the ten thousand ETH came up 'cuz you needed a loan. For root stock-  
808  
809  
810  
811 NERAYOFF: Right but he didn't want to give me the tokens. He didn't want to give me the tokens. I said give me the tokens, he said I don't want to give you the tokens right now. I said fine, then give me a loan, and then hold the tokens. Whichever one you want. [clears throat] That was the issue.  
812  
813  
814  
815  
816  
817 JANE DOE: But the issue was we weren't, there were no air drop tokens for Steve. Air drop is only for not Steve.  
818  
819  
820 NERAYOFF: [UI] Wait wait wait [UI] pre-sale buyer to do this.  
821  
822 JANE DOE: Right.  
823  
824 NERAYOFF: Correct. The big Adam. So JOHN DOE wasn't saying that I wasn't entitled to them, he was just saying they weren't either, it's just saying it's going to air drop on a company address if you get them. But if I agree to a lesser amount, I wouldn't take them right now.  
825  
826  
827  
828

829 JANE DOE: Um, I don't know about air dropping onto a company address, 'cuz  
830 maybe I wasn't a part of that conversation, um-

831

832 NERAYOFF: Yea that's what he said.

833

834 JANE DOE: Well, well I would say it was under duress because it was after  
835 JANE DOE:

836 [00:30:00]

837 NERAYOFF: Because it would [UI]. It wouldn't be hurting the company. There  
838 wasn't any extra tokens for the company. He said the problem was  
839 that it would air drop it on the company address 'cuz my tokens  
840 were on a company address.

841

842 JANE DOE: Uh...

843

844 NERAYOFF: That was the issue. [BG]

845

846 JANE DOE: Right, and the company doesn't deserve air drop tokens, nor does  
847 Steve.

848

849 NERAYOFF: Correct.

850

851 JANE DOE: So that's why no air drop tokens for Steve.

852

853 NERAYOFF: JOHN DOE and I agreed to three hundred and fifty million. We  
agreed 854 to that. That was not under duress, we agreed to that as a fair  
855 number. I said okay, I would be entitled to over a billion and he  
856 agreed to a third of that.

857

858 JANE DOE: Well, well I would say it was under duress because it was after you  
859 and Mike yelled at me for like six hours in New York, and then I  
860 went to San Francisco and then you guys were blowing up my  
861 phone and JOHN DOE's phone and then we were on the phone for  
862 nine hours that one night, and then finally the numbers were what  
863 the numbers were.

864 [00:31:00]

865 NERAYOFF: When you felt uncomfortable I walked out of the room. It wasn't  
866 under duress.

867

868 JANE DOE: Well, we weren't even in the same room.

869

870 NERAYOFF: No no no, I'm talking about in New York, you said you felt  
871 uncomfortable, I got up and walked out.

872

873 JANE DOE: No, there's two, two New York events. Remember you and Mike  
874 put me in a room and you guys were talking to me, when I was

875 sitting in [REDACTED]'s room? You guys talked about the macro and  
876 the micro.

877  
878 NERAYOFF: I'm talking about in the city.

880 JANE DOE: Okay, in the city? Yea. Well, sort of. JOHN DOE, JANE DOE were  
881 escorted out, and then [REDACTED] walked with us and he was crying at the  
882 elevators, and then [REDACTED] came up the elevators with us. That was  
883 the main New York event.

884  
885 NERAYOFF: Right. That's when I walked out of the room.  
886 [00:32:00]

887 JANE DOE: [REDACTED]  
888  
889  
890 You NERAYOFF:  
[00:  
891 steve  
893  
894  
895 JANE DOE: Okay.  
896  
897 NERAYOFF:  
898 Long story, but yea I understand. [REDACTED] clears  
899 throat]. Okay, I have to somehow repair all this.

900  
901 JANE DOE: I don't know if it's repairable. Remember I'm not longer at [REDACTED].  
902  
903 NERAYOFF: Um, you [UI] nobody knows that place better than you do. I mean  
904 look [UI] that's your decision, I'm just saying there's a huge, when  
905 I say there's a big opportunity, don't look at [REDACTED] right now. I  
906 have huge opportunities for 'em. Huge.

907 [00:33:00]  
908 JANE DOE: But you don't have a team there that can execute shit so, good luck  
909 with that.

910  
911 NERAYOFF: What's that?

912  
913 JANE DOE: I said you don't have a team there that can execute shit so, good  
914 luck with that.

915  
916 NERAYOFF: What do you mean?

917  
918 JANE DOE: What I mean like, the only operator's no longer there. Everybody  
919 else is uh, it's a lost boys.  
920

921  
922 NERAYOFF: Because they're going to drive it into the ground?  
923  
924 JANE DOE: I don't think that's what they're trying to do.  
925  
926 NERAYOFF: Hey I don't really need his team. Why didn't you take [REDACTED] and [REDACTED]  
927 ?  
928  
929 JANE DOE: What?  
930  
931 NERAYOFF: [REDACTED] and [REDACTED] ?  
932  
933 JANE DOE: [REDACTED] and [REDACTED] ? 'Cuz they didn't know...  
934  
935 NERAYOFF: Yea.  
936  
937 JANE DOE: ... Shit. They had like, when we met with them, they didn't know shit about their technology, they were still living from, in the like ten years ago, the, the way they talked about technology in the marketplace was from ten years ago. They don't know shit. The whole bunch of bullshit. And the product they had built ten years ago was a pile of shit too.

[00:34:00]

943 It was like three errors of due diligence.  
944 That's why we didn't take 'em. And he wanted four million dollars  
945 to join the company, to do what? He had, he had no, he had, he had  
946 a pile of shit underneath him, and what was he going to do, bring  
947 that shit into the company, no.

948 NERAYOFF: Okay. I'd like to learn more about that.

949  
950 JANE DOE: Yea, you, I don't know like, yea [REDACTED], doesn't know shit about  
951 technology. Maybe he's like a good hacker you know. But...

952  
953 NERAYOFF: [UI]

954  
955 JANE DOE: ... any hacker with three years of experience can do better than  
956 that.

957  
958 NERAYOFF: More about [REDACTED]. And his understanding of the loyalty space.

959  
960 JANE DOE: No, no, no. He's a good talker. And he's really fun at karaoke, we  
961 took him to karaoke.

962 [00:35:00]

963 NERAYOFF: [laughs] Look, at the very least, um, [clears throat] if you want to  
964 do work, you can, there's a lot here for you, if you're looking for  
965 something, and doing crypto... [BG] If we can get something fixed

966

with [REDACTED], there's that. It's probably stuff you can do from home,

967 and then we have a lot here.  
968  
969 JANE DOE: We can always talk, remember? If I see papers, I can have  
970 something to react to.  
971  
972 NERAYOFF: Well, well I'm trying to figure this out right now, [UI] I  
973 understand.  
974  
975 JANE DOE: Maybe-  
976  
977 NERAYOFF: I thought we had papers.  
978  
979 JANE DOE: [laughs]  
980  
981 NERAYOFF: But Steve, you used to be a lawyer.  
982  
983 JANE DOE: I know.  
984  
985 NERAYOFF: [VO]  
986  
987 JANE DOE:  
988 [00:36:00]  
989  
990 NERAYOFF: Long story, but yea I understand.  
991 How much didn't he return?  
992 JANE DOE: You're smarter than this, right? C'mon Steve.  
993  
994 NERAYOFF: Believe me, there's a lot that, there's a lot, there's a- we'll sit down  
995 over a drink and tell you about the whole thing.  
996  
997 JANE DOE: I can't drink, now you're making me sad.  
998  
999 NERAYOFF: [laughs]  
1000  
1001 JANE DOE: That's the hardest thing about being pregnant. Can't drink like a  
1002 fish anymore.  
1003  
1004 NERAYOFF: Uh...  
1005  
1006 JANE DOE: I'll be a cheap date in about six months.  
1007  
1008 NERAYOFF: Six months you can drink again?  
1009  
1010 JANE DOE: Yea, I can pump and dump, literally. Hah.  
1011  
1012 NERAYOFF: [laughs]

1013  
1014 JANE DOE: Sorry.  
1015  
1016 NERAYOFF: Uh, let me um, I'm going to try to go se-, see if I can go see  
1017 JOHN DOE. [clears throat] I don't know why [UI] why they  
1018 would let that happen with you, from it sounds like to me.  
1019  
1020 JANE DOE: And you think JOHN DOE will talk to you?  
1021  
1022 NERAYOFF: I don't know. You don't?  
1023 [00:37:00]  
1024 JANE DOE: Mm, no.  
1025  
1026 NERAYOFF: Huh?  
1027  
1028 JANE DOE: No. But if you do find anything...  
1029  
1030 NERAYOFF: Alright.  
1031  
1032 JANE DOE: ... let me know.  
1033  
1034 NERAYOFF: See if █ could do it.  
1035  
1036 JANE DOE: Well, what's the situation with █? 'Cuz uh, he's pissed off a lot  
1037 of people in the, in the block chain space.  
1038  
1039 NERAYOFF: What do you mean?  
1040  
1041 JANE DOE: Well, I think █ was supposed to get some money back from  
1042 him, he never returned any money, and so they were about to sue  
1043 his ass. And then he took money from █, but then he never  
1044 returned a bunch of it. And I think when he finally did return it, it  
1045 was like a qu- fifth of what it was supposed to be.  
1046  
1047 NERAYOFF: Oh. JOHN DOE's going to meet him, but they're still  
1048  
1049 JANE DOE: Yea.  
1050  
1051 NERAYOFF: How much didn't he return?  
1052 [00:38:00]  
1053 JANE DOE: Um, a lot less.  
1054  
1055 NERAYOFF: You know how much it was?  
1056  
1057 JANE DOE: Like, seven hundred ten thousand dollars.  
1058

1059 NERAYOFF: [UI] didn't return seven hundred ten thousand dollars?

1060

1061 JANE DOE: Seven hundred and ten thousand dollars.

1062

1063 NERAYOFF: And JOHN DOE just let

1064

1065 JANE DOE: Looks like it, huh.

1066

1067 NERAYOFF: Apparently.

1068

1069 JANE DOE: There's a lot of bad people in this space, Steve.

1070

1071 NERAYOFF: I'm fully aware of that [laughs] I'm not one of them. I'm trying to make things successful. This was, this was not about taking the company, this was about taking the company to the next level. [clears throat].

1072

1073

1074

1075

1076 JANE DOE: Why this company, why not some other company?

1077 [00:39:00]

1078 NERAYOFF: I thought about this one a lot, and I had a lot of good connections and ideas floating.

1079

1080

*steven* JANE DOE: Well I think the company could really use the ten thousand ETH

1081 Yea, but you, you did say like point number one, we will go to

1082 You're

1083

1084

1085 NERAYOFF: I thought we had a deal, so this is news to me. [UI] the whole thing.

1086

1087

1088 JANE DOE: No.

1089

1090 NERAYOFF: Who's the attorney that I can talk to about this? No [UI] the agreement that you and I texted about, I thought that was our deal, and Mike said we had a deal. He said it's fine, they're okay with it, so whatever you know, I was hearing something different.

1091

1092

1093

1094

1095 JANE DOE: No 'cuz that's what we were arguing about in May when I was there for consensus.

1096

1097

1098 NERAYOFF: You're not listening to me. Mike told me, they're okay with it, with the deal that you and JANE DOE talked about. So I understand what your reality is, but you have to understand what my reality is, I was hearing something very different. You understand? I was, I was not hearing what you, what you were

1099

1100

1101

1102 [00:40:00]

1103

1104 JANE DOE: Yea, but you, you did say like point number one, we will go to the

1105 press about you. We will destroy you. We will tell everybody.  
1106 [VO]

1107

1108 NERAYOFF: He wasn't giving me my tokens.

1109

1110 JANE DOE: Huh?

1111

1112 NERAYOFF: He wasn't giving me my tokens. He wasn't giving me my tokens.  
1113 JOHN DOE didn't want to give me my own tokens. Did you  
1114 forget that? Tw- Two billion tokens, he didn't want to give those  
1115 to me.

1116 JANE DOE:

1117 But-

1118 NERAYOFF: He didn't want me to move them out of the address. He says it's  
1119 gonna spook the market.

1305 JANE DOE: But, remember we talked about this in May. Um, we didn't think  
Page we owed you two billion tokens, we thought we owed you more  
1123 like nine hundred million tokens total.

1124

1125 NERAYOFF: No no no, that's in the address. That's clear, that's in the contract,  
1126 that's clear.

1127

1128 JANE DOE: Huh?

1129

1130 NERAYOFF: That was clear in the contract from day one.

1131 [00:41:00]

1132 JANE DOE: Yea, but that was the new contract that we made the night before  
1133 our crowd sale went off, and this was what we explained to you,  
1134 both Alex and Mike.

1135

1136 NERAYOFF: And we, [clears throat] you guys [UI] understand we had a  
1137 different one? But, JOHN DOE locked up half those tokens.  
1138 Nine hundred of the two point two five. So I'm trying to fix this.  
1139 Who did the attorney at Perkins, that would fix this?

1140

1141 JANE DOE: I don't think they would be able to fix it without JOHN DOE's  
1142 yay or nay.

1143

1144 NERAYOFF: I understand, [UI] I'm on, of course JOHN DOE has to get  
1145 involved. [VO] But who would be the attorney that I could go  
1146 to?

1147 JANE DOE: It's the same attorney from before, [REDACTED].

1148

1149 NERAYOFF: Oh, [REDACTED]?

1150

Page **26** of **36**

1151 JANE DOE: Yea.  
1152  
1153 NERAYOFF: [sighs] But you wanna work right?  
1154  
1155 JANE DOE: I want work, I want good work with good people who are not  
1156 greedy.  
1157  
1158 NERAYOFF: Hm.  
1159  
1160 JANE DOE: Who pay.  
1161  
1162 NERAYOFF: How about who produced? How 'bout [VO] who put you on the  
1163 map? Did you forget that?  
1164 [00:42:00]  
1165 JANE DOE: Well, who pay, and don't...  
1166  
1167 NERAYOFF: Did you forget [VO]  
1168  
1169 JANE DOE: ... you know, don't hold my pay hostage, and refuse to pay me,  
1170 and don't know how to say thank you.  
1171  
1172 NERAYOFF: I don't?  
1173  
1174 JANE DOE: I don't think I've gotten a thank you ever, from anybody, except  
1175 once on my birthday, which was June 2018. The entire [REDACTED]  
1176 team, no one has ever said thank you. Even the extended ICO  
1177 team, no one ever said thank you.  
1178  
1179 NERAYOFF: Thank you. I just said it.  
1180  
1181 JANE DOE: Yea, but everyone got paid [laughs].  
1182  
1183 NERAYOFF: [UI] What do you mean? I didn't get paid, my tokens are just  
1184 sitting there. They're worth nothing.  
1185  
1186 JANE DOE: You got paid thirty thousand ETH. Plus ten thousand ETH. A good  
1187 forty thousand ETH dude.  
1188  
1189 NERAYOFF: [VO]  
1190  
1191 JANE DOE: Today it's not that great, but you know in December [VO] it was  
1192 amazing.  
1193  
1194 NERAYOFF: Okay but it's not. I never sold it. Okay.  
1195 [00:43:00]  
1196 JANE DOE: What do you mean you never sold it?

1197  
1198 NERAYOFF: Hm?  
1199  
1200 JANE DOE: What do you mean you never sold it? It's at like a hundred and  
1201 fifty dollars today and it was a thousand dollars in January.  
1202  
1203 NERAYOFF: Yea, but I hold it. [UI] I kept all my stuff in crypto. I'm still in. I  
1204 didn't look today.  
1205  
1206 JANE DOE: Hm. Then what did you need the ten thousand ETH loan for if you  
1207 already had the thirty thousand ETH?  
1208  
1209 NERAYOFF: It was in crypto, I said. It was in crypto.  
1210  
1211 JANE DOE: Yea, but it's in ETH. ETH is crypto, isn't it?  
1212  
1213 NERAYOFF: No no no, it wasn't ETH anymore, it was in crypto. Shit was  
1214 illiquid.  
1215  
1216 JANE DOE: So you bought like dogecoins?  
1217  
1218 NERAYOFF: Yea [UI] similar. Or it was in stuff that didn't come out yet.  
[00:44:00]  
1219  
1220  
1221  
1222 I have a few ICOs that are still stuck [clears throat] Listen, this  
1223 story is  
1224 not written. This story, the ending of this story is not written yet.  
1225 [UI] This is, we can, we can fix this.  
1226 JANE DOE: I don't know how [VO] fixable this is. It looks like a pile of shit to  
1227 me, I'm sorry.  
1228  
1229 NERAYOFF: Yea, but [clears throat] couple billion dollar partnerships can, uh,  
1230 make everybody happy again.  
1231  
1232 JANE DOE: Why would a billion, billion dollar partnership want to partner  
1233 with this pile of shit here?  
1234  
1235 NERAYOFF: 'Cuz I have a connection. That's why I wanted to do this. 'Cuz  
1236 people trust me. I have the connections, I can make this happen.  
[00:45:00]  
1237  
1238 JANE DOE: So let's keep talking, I'm going to try to get some more  
1239 information,  
1240 NERAYOFF: I'm going to call you back, but I'm trying to rectify this for you  
Extremely.  
I get it. I mean I know how hard you worked. I know what you did.

1241

1242 JANE DOE:

And I got lucky by getting pregnant. [laughs]

1243  
1244 NERAYOFF: Lucky?  
1245  
1246 JANE DOE: I got lucky, that's the only thing that's good in my life right now.  
1247 Oh, and day.  
1248  
1249 NERAYOFF: Okay, well let's see if we can fix the rest of it. I'm still in your  
1250 corner.  
1251  
1252 JANE DOE: I don't know. I mean with [REDACTED] like, I don't know, I'm not there,  
1253 I haven't been there for two months so whatever.  
1254  
1255 NERAYOFF: Well give me a little bit of time, I'm trying to fix this right now.  
1256 Let me get a little more information and I'm going to call you  
1257 back.  
[00:46:00]  
So just hang tight.  
1258  
1259 JANE DOE: [sighs] [BG] Kay Steve.  
1260  
1261 NERAYOFF: Yea. I'm-  
1262  
1263 JANE DOE: Just make sure you take care of your health.  
1264  
1265 NERAYOFF: That's not good.  
1266  
1267 JANE DOE: [laughs] Vegetables, had too much steak and burgers.  
1268  
1269 NERAYOFF: Just had a [REDACTED] today.  
1270  
1271 JANE DOE: Oh Jesus.  
1272  
1273 NERAYOFF: Yea.  
1274  
1275 JANE DOE: Eat the Korean food.  
1276  
1277 NERAYOFF: [UI]  
1278  
1279 JANE DOE: Korean food has a lot of...  
1280  
1281 NERAYOFF: I know.  
1282  
1283 JANE DOE: ...vegetables in it.  
1284  
1285 NERAYOFF: The grain food?  
1286  
1287 JANE DOE: Korean food.

1288

1289 NERAYOFF: Oh, Korean food [laughs]. Yea that's true. That's true. [clears  
1290 throat] Alright JANE DOE, this has been very helpful. I'm going to call  
1291 you back.  
1292  
1293 JANE DOE: Kay.  
1294 [00:47:00]  
1295 NERAYOFF: I'm going to fix this. I'm going to fix it.  
1296  
1297 JANE DOE: I'll take the ten thousand ETH if you want. I'm joking.  
1298  
1299 NERAYOFF: [laughs] we're going to fix this.  
1300  
1301 JANE DOE: I don't think it's fixable.  
1302  
1303 NERAYOFF: What do you mean?  
1304  
1305 JANE DOE: That's what I mean, I don't think it's fixable. Unless you, like  
1306 decide to uh, return the ten thousand ETH to the company, uh rip  
1307 up the uh, air drop tokens, and then um, decide to go back to the  
1308 original Maple Ventures agreement from July of 2017 and go back  
1309 to that, that's the only way to fix it all the way.  
1310  
1311 NERAYOFF: Kay well, I'm moved on [clears throat]  
1312  
1313 JANE DOE: That was the company's position until September 24, so I don't if  
1314 it's changed after that.  
1315  
1316 NERAYOFF: What do you mean?  
1317  
1318 JANE DOE: Uh, I'm no longer with [REDACTED], so I don't know what's happened  
1319 after September 24.  
1320 [00:48:00]  
1321 NERAYOFF: Why, you're saying JOHN DOE was saying I have to do all that?  
1322  
1323 JANE DOE: Yes. That's what we were saying in that May meeting at consensus  
1324 in that hotel room in New York City where all of your team was  
1325 with you.  
1326  
1327 NERAYOFF: I never talked about the old tokens. This was the air drop.  
1328  
1329 JANE DOE: No, it was all of the above. And that's why you were getting really  
1330 mad, and that why I was saying I don't feel very comfortable 'cuz  
1331 there's a whole bunch of like giant dudes and me.  
1332  
1333 NERAYOFF: Yea walked out, we walked out.  
1334

1335 JANE DOE: I know, I know  
1336  
1337 NERAYOFF: JANE DOE:  
1338 JA  
1339  
1340 JANE DOE: Yea, but this is what we were discussing.  
1341  
1342 NERAYOFF: [sighs]  
1343  
1344 JANE DOE: I'm sorry, I just, I'm, I just speak the truth. I'm just telling you  
1345 what I saw and what we were saying and what we were doing.  
1346 [00:49:00]  
1347 NERAYOFF: Um, [REDACTED] was your friend, okay?  
1348  
1349 JANE DOE: Huh?  
1350  
1351 NERAYOFF: You know I think from my perspective too it was in the hottest  
1352 market in history and I spent my entire time on [REDACTED] during that  
1353 market. Could have done a million other deals, this was not an easy  
1354 one, this was a hard one, there was nothing to sell. I created this  
1355 out of thin air. You forget that? Did you know any of those  
1356 advisors other than [REDACTED]?  
1357  
1358 JANE DOE: But that's what we expected. [VO] In July of 2017 that was part of  
1359 your agreement, your agreement was, you were going to help us do  
1360 all that.  
1361  
1362 NERAYOFF: And I did, and I performed.  
1363  
1364 JANE DOE: Nobody was threatening you [UI]. You said that and we walked  
1365 out.  
1366  
1367 NERAYOFF: I didn't get paid double, we didn't, I didn't ask for double. Believe  
1368 me, [REDACTED] and I had it written down, we both independently had it  
1369 written down, what the numbers should be.  
1370 [00:50:00]  
1371 JANE DOE: JANE DOE:  
1372 1381  
1373 It's always of total token-  
1374 JANE DOE:  
1375 Nope.  
1376  
1377 NERAYOFF: It's always of total token.  
1378  
1379 JANE DOE: Nope.  
1380

1381 NERAYOFF: It's always of total token-

1382

1383 JANE DOE: If you look at the document...

1384

1385 NERAYOFF: Every deal I do-

1386

1387 JANE DOE: JANE DOE:  
Look, do you believe it or not?

1388

1389 NERAYOFF:

1390

1391 NERAYOFF: JANE DOE:  
JANE DOE:  
JAN

1392

1393

1394

1395 JANE DOE: I only...

1396

1397 NERAYOFF: Look, do you believe it or not?

1398

1399 JANE DOE:

1400 ... believe what I see on paper and that's what I saw on paper.  
That's what you wrote. If you didn't write it then you should have  
read it before you sent it over to us. And signed it.

1401

1402

1403 NERAYOFF: Why do you think █ and I did that? Do you think we made it up  
1404 that night? We just concocted the whole thing?

1405 [00:51:00]

1406 I mean, seriously. You know, let's just, let's just try to repair this,  
1407 okay? We're not going back to that argument right now.

1408 ... JANE DOE: 1430

I

JAN

1409

1410

1411

1412

1413 NERAYOFF: Okay, do you want to argue about this or do you want to try and fix  
1414 a dying company?

1415

1416 JANE DOE: I don't give the fuck about the company. I'm no longer there.

1417

1418 NERAYOFF: Well you do, you do, then so why do you give a shit about this  
1419 then? I mean...

1420

1421 JANE DOE: Because you're telling me...

1422

1423 NERAYOFF: ... unless you get something out of it?

1424

1425 JANE DOE: ... I'm wrong, and I'm telling you, like, this is [VO] what  
1426 happened.

1427

1428 NERAYOFF:

Okay.

1429

1430 JANE DOE:

This is what I signed [VO] and this is what you signed. What you and [REDACTED] forced us to sign the night of our crowd sale, that was like completely out of left field and that was after like six days of you and [REDACTED] blowing up our phones and yelling at us. And you know, we were sleeping an hour a freaking day, an hour a freaking day for six days straight, six weeks straight. All of freaking October, and all of November, we slept an hour a day.

1431

1432 [00:52:00]

1433 NERAYOFF:

So was I. So was I. I almost died, remember?

1434

1435 JANE DOE:

Well I ended up with head to toe fucking psoriasis.

1436

1437 NERAYOFF:

And a baby. You had one good night.

1438

1439 JANE DOE:

Huh?

1440

1441 NERAYOFF:

I said you had one good night.

1442

1443 JANE DOE:

[laughs] I'm not saying-

1444

1445 NERAYOFF:

[UI] What?

1446

1447 JANE DOE:

Yea.

1448

1449 NERAYOFF:

Let's try... [UI] I don't wanna, you know what, it doesn't matter who's right or wrong. It doesn't matter. Right now, if we can repair this, and you can benefit, and JOHN DOE can benefit, I can benefit, everybody can benefit, that's a good thing, right? [BG]

1450

1451 [00:53:00]

You gonna be there for a little bit?

1452

1453 JANE DOE:

I gotta go pick up the kid from daycare soon, but I'll be here for a little bit.

1454

1455 NERAYOFF:

Okay. Um...

1456

1457 JANE DOE:

I think what's important is for me is to know that, remember, I'm the paperwork operations girl, right? Actually, I'm too old to be a girl. I'm a woman, right? Operations person. I need paperwork to equal A plus B plus C equals D, right? In this series of paperwork, it does not.

1458

1459 NERAYOFF:

In what?

1460

1461

1473 JANE DOE: What, what [REDACTED] agreed to when I was COO was totally different  
1474 than what actually happened.  
1475 [00:54:00]  
1476 NERAYOFF: Okay, can you, can you, I don't want to argue about it, can you just  
1477 can you just accept for a second that it was a genuine  
1478 misunderstanding? And what JOHN DOE did to fix that  
1479 misunderstanding was, said fine, I'm locking up nine hundred  
1480 million of the tokens.  
1481  
... JANE DOE: JANE DOE:  
*steven* 1482  
1484 1483  
1485  
1486 NERAYOFF: You think I did it, do you accept that I believe that that's what it  
1487 was?  
1488  
1489 JANE DOE: It's okay...  
1490  
1491 NERAYOFF: Maybe we were going through... [VO]  
1492  
1493 JANE DOE: ... if you believe that's what it was but it's not what it should be,  
1494 that's not what we agreed to.  
1495  
1496 NERAYOFF: That's what I agreed it should be, we were had out, we had it all  
1497 listed on our spreadsheet the whole time.  
1498  
1499 JANE DOE: Yea, and you guys were making up numbers. Remember that  
1500 spreadsheet? Had formulas hard coded [VO] it was like you guys,  
1501 no you guys didn't know how to use excel.  
1502  
1503 NERAYOFF: No, that's not, no no no. [REDACTED] made a mistake with the formulas.  
1504 [00:55:00]  
1505 I wasn't making up, it wasn't my fault, [REDACTED] did it. But we ate, we  
1506 ate it on that.  
1507 JANE DOE: No you did not eat a single thing.  
1508  
1509 NERAYOFF: Let's not argue about this, let's not argue about this, this is just,  
1510 this is what... JANE DOE, this is ...  
1511  
1512 JANE DOE: Yes, Steve?  
1513  
1514 NERAYOFF: ... why we didn't get the, this is why, JANE DOE, listen, take...  
1515 [VO] do me a favor...  
1516  
1517 JANE DOE: Yes?  
1518

1519 NERAYOFF: I have nothing to gain by telling you this right now, other than I am  
1520 telling you the truth 'cuz I do really like you, is this is a big reason  
1521 why the conversations for the acquisition, which JOHN DOE  
1522 wanted to do, broke down. Is somebody just trying to get to an  
1523 end? [UI] is over, it doesn't matter anymore. Okay, what do we  
1524 want to fix now? It's irrelevant. You know what I'm saying? It's  
1525 irrelevant.  
1526 Right? I understand you say you want to be right.

JAN  
NER

1529 JANE DOE: It is relevant [VO] because the foundation really does make sense,  
1530 like the journey, and how we get there does make matter, right?  
1531 That's what I care about. I'm miss integrity girl.

1532 NERAYOFF: Okay.

1533 JANE DOE: Woman. Woman. [VO] I keep calling myself girl.

1534 NERAYOFF: [laughs]. You're not a little girl. You're having a little girl. You're  
1535 gonna have a little girl.  
1536 [00:56:00]  
1537

JAN  
NER

1540 JANE DOE: [UI] This is not integrity. This is not about integrity.

1541

1542 NERAYOFF: Yes you did. You told me the story about [REDACTED] guy  
1543 I never said that.

1544 JANE DOE: If you, if I was changing what I said...

1545

1546 NERAYOFF: Which you did.

1547

1548 JANE DOE: ... okay? If that's what.... you say that, obviously I think you...

1549

1550 NERAYOFF: The paperwork says that. And you have to say, you and [REDACTED] were  
1551 freaking scary.

1552

1553 stevennerayoff

1554 stevennerra

1555

1556 JANE DOE: You were. [VO] Remember you and Mike even sat me down [VO]  
1557 in the room and said, micro macro, we blow people up just for shit,  
1558 and we don't give a shit because we're so rich.

1559

1560 NERAYOFF: I never said that.

1561

1562 JANE DOE: Yes you did.

1563

1564 NERAYOFF: I never said that.

JANE DOE: Yes you did. You told me the story about [REDACTED] and

DOJ-000000062

1565 [REDACTED] [ph] getting threatened by six hundred million dollars  
1566 from investors and how these investors didn't give a shit about six  
1567 hundred million dollars and they were willing to blow the ship up  
1568 because they could. And you said, you [VO] and [REDACTED] and Michael  
1569 were totally willing to do the same thing.  
1570

1571 NERAYOFF: I thought... JOHN DOE didn't want to give us our tokens.  
1572 [00:57:00]  
1573 JANE DOE: But those tokens weren't yours in the first place. You, nine  
1574 hundred million yes, two point two five billion, no.  
1575

1576 NERAYOFF: You think, you think JOHN DOE's taken the position that I'm not  
1577 getting those tokens?  
1578

1579 JANE DOE: Yea, did you see the tokens go to you?  
1580

1581 NERAYOFF: You think he's gonna not give them to me?  
1582

1583 JANE DOE: Has he give it to you all, after all this time? There's a huge  
1584 misunderstanding. Remember, he's Asian. Asian, Asian.  
1585

1586 NERAYOFF: He doesn't believe I'm entitled to the two point two five [VO]?  
1587

1588 JANE DOE: Absolutely not. There's a huge material issue here.  
1589

1590 NERAYOFF: Okay, alright, well let me, let me get together with him.  
1591

1592 JANE DOE: Go back to your maple ventures agreement, like just open it up and  
1593 read it.  
1594 [00:58:00]  
1595 NERAYOFF: Let's find out if, what the shape the company's in right now. Um,  
1596 let me call JOHN DOE, I'll call you back.  
1597

1598 JANE DOE: Okay.  
1599

1600 NERAYOFF: Thank you.  
1601

1602 JANE DOE: Bye.  
1603
